

INFO

MLC Training Course (Netherlands)

To obtain knowledge and enhance understanding on the Maritime Labour Convention and the way it functions, with a special focus on development of the Declaration of Maritime Labour Compliance (DMLC).

Target Group

Personnel in safety & quality, personnel and crewing departments of shipping companies, shipboard personnel involved in ship management, operation, maintenance, inspection and control and people working in crew manning offices.

Event Language

English

Attendance

max. 20 persons

Teaching Method

The course is a combination of lectures, case discussions and interactions among participants. Active involvement will add to the benefit for the individual and will be enhanced by sharing of shipping industry experience.

INFO

Key issues covered

- Background and scope of the MLC
- Minimum requirements for seafarers to work on a ship
- Conditions of employment
- Accommodation and recreational facilities
- Food and catering
- Health protection, medical care, welfare and social security
- Complaint handling
- Compliance and enforcement with a special focus on the Declaration of Maritime Labour Compliance (containing the shipowners' measures/procedures for ongoing compliance with Convention requirements)
